Dear Sir,

Oct. 2, 1955

I heard about the lynching and think it is awful. The Federal Government should do something about it!

OCT 14 1955

I'm 11 and hope that when I'm grown-up nothing like this will happen. If any of my Negro friends were hurt or killed I'd well you can guess what I'd do.

Please give these men what they deserve - death.

Sincerely
Conrad Miller
