Gregg and Rusk Counties, Texas;
Civil Rights

144-75-267

This refers to your memorandum of November 18, 1955. In the absence of any information of the involvement of law enforcement officers in the shootings reported, no investigation is desired.

We should appreciate your furnishing us with press articles about these shootings which happen to come to the attention of your field office.

For your general information, we understand that the reported shooting of mailboxes is being or will be investigated by the Post Office Department.
