Dear Sir;

We are writing you this letter to ask you to do all in your power to bring the murderer of one of our fellow members to justice.

The victim of this murderer was killed in cold blood because he was attempting to help a woman who had mistakenly inserted a nickel into a bus fare register and then explain it to the bus driver.

The entire decent element of the City of Gretna is aroused of this murder, but feel that because of the long history of bloody abuses of the Negro people in Gtetrna, nothing will be done about it unless it becomes a national issue,

We urge you to use all the influence of your office to see that this policeman Alvin Bladsacker, is brought to justice.

Respectfully yours

Mrs. Noellie B. Trahan
Chairman
